About Us

Bob Jr. & Debbie Lanphere

Bob and Debbie have been married for 43 years, and while just entering their golden years, they decided to take on a passion project, which led them to winemaking. What started with nine small rows and garage bottling has now evolved into a family adventure that has seen the acquisition of 53 plus acres and the remodeling of a little red barn that now houses our beautiful tasting room.

Our Vineyards

We currently have four working vineyards that total over 53 acres located in various spots throughout the Willamette Valley

Meet Our Winemaker

Alberto Alcazar

For more than three decades, Alberto has poured his heart into the Northwest wine industry. At Lanphere Cellars, he guides everything from the health of the vines to the final bottling, ensuring excellence at every step. You'll often find him in the barrel room, inspecting the wines with care, or walking the rows of vines he knows by heart—a true steward of the craft he loves.
