

HALEWOOD ARTISANAL SPIRITS PORTFOLIO

About us

Halewood Artisanal Spirits was founded by the late John Halewood in 1978. Today it still remains owned and controlled by the Halewood family. In a little over 40 years, it has grown from a start-up company to become one of the UK's largest family owned distillers, with a turnover of £150 million.

We are specialists in artisanal spirits, with an award-winning portfolio. To date, our brands have won over 30 double gold, gold and silver medals at the most prestigious international industry awards including the International Spirits Challenge (ISC), International Wine & Spirits Challenge (IWSC) and San Francisco World Spirits (SFSWC) awards.

Whitley Neill Gin is the UK's Most Loved Gin and the UK's Number 1 Premium Gin: both titles having been retained over multiple years. We have received over 100 prestigious industry awards for taste credentials including ISC, IWSC and SFSWC.

Our **Scottish Whisky** portfolio offers a collection of new releases that celebrate the history of two iconic families in whisky-making: the Crabbies and the Crees. Meanwhile, Halewood are proud to be the only spirits producer in the world to **own whisky distilleries in England, Scotland and Wales**, giving us a unique ability to create both traditional and contemporary styles of blended and single malt whiskies, fusing the Halewood spirit of innovation with a respect for traditional craftsmanship.

Dead Man's Fingers and the **Aber Falls** range offer premium, innovative propositions across the rum, whisky, gin, vodka and liqueur spectrum. While **Crabbie's Alcoholic Ginger Beer** remains an institution, steeped in both real ginger *and* history.

Exporting to 75 countries worldwide, we are a **fast moving and highly innovative company** at the forefront of many global drinks trends - this allows us to successfully bring innovative new products to market faster than our competitors.

Bonnington (alc 47% vol)

SINGLE MALT SCOTCH WHISKY OROSO SHERRY CASK:

The Bonnington story began in 2017 on Graham Street in Leith, Edinburgh. Whilst building the foundations for the distillery, ruins of the old fortifications were discovered, providing the inspiration for our citadel icon. This Bonnington Sherry Cask is a single malt matured in only Oloroso casks. Aromas of dried fruit, caramel, nutmeg and sultanas. The finish is a dry rich oak with a hint of warm spice.

SINGLE MALT SCOTCH WHISKY MUSCAT CASK:

Introducing our exclusive limited edition whisky cask releases from the Bonnington Distillery in Leith: Our Master Blender carefully selects individual casks, each highlighting the dedication and craftsmanship of our team. Aromas of sweet plums, stone fruits and sherbet give way to a taste of caramel, sticky dates and savoury miso. With a finish of cinder toffee and rich oak.
