A LEGACY OF MASTERY

CASA MAESTRI offers more than just tequila; it represents a legacy of mastery rooted in four generations of craftsmanship. Proudly woman-owned and led, Casa Maestri stands as a symbol of passion, strength, and dedication to the art of tequila making. From estate-grown agaves to time-honored production methods, every detail is carefully crafted to deliver authenticity and excellence.

Casa Maestri is ranked #6 out of 157 Tequila distilleries in Mexico, and sells its tequilas in more than 100 countries.

A woman, Celia V. Maestri, is shown in profile, looking towards the left. She is wearing a large, light-colored sombrero with a decorative band, a dark jacket with intricate white floral embroidery, and a white bow at the collar. She is standing in a field of agave plants, with several large, pointed leaves in the foreground and background. The lighting is soft and natural, suggesting an outdoor setting.
